Water Buoy, Buddy Buoy, and O RUFFY can be booked odd/irregular dates rather than standard Sat to Sat throughout the year.

The Captain's Wheel and Captain's Command are Sat. to Sat. during June, July, August. You CAN choose any days for your use within the Sat – Sat time frames for what ever period of time, billed at the weekly rate having possible adjustments.

If your occupancy is less, there may be a reduction in rate. We may well be able to sleep more than what is indicated, but we rather not have our locations fully occupied. Although we may be able to sleep a maximal amount, this does not entitle you to bring more occupants than quoted.

Please let us know if you are also wanting to have packaged, additional boats, kayaks, services (manicure, massage, chef, cruise, tours....) as we may reduce rates having multiple bookings, as well as, multiple items booked. There will always be a base rate.

(5 bedroom homes book Sat to Sat Jn Jly Aug.)

We have locations offering 2,3, and 5 bedrooms of which only 1, or 2 may be secured by our guest. Indicate on your inquiry request as to, not only occupancy, but house usage; UPPER only, LOWER only, which bedrooms, etc.,.1 of 3 bedrooms, 2 of 2 bedrooms, etc.

What is your occasion? Romantic get-a-way, children school break, NASCAR, reunion, business rewards, etc.

Let us know your interests, and occupational area so that we can provide additional information specific to your needs and those of your group/friends/family.
